ORDER

The Commissioner of Collegiate Education has reported  
that Sri. Udaya Raju was appointed as Junior Lecturer in  
Telugu in an un-aided post by the Management of Ideal College,

with effect from 1.10.1981 in the vacancy caused on promotion  
of Sri. C. Radha Prasad as Lecturer in Telugu in Degree College of  
the same management. On account of resignation of Sri. C. Radha  
Prasad as Junior Lecturer in Telugu, the management furnished  
the services of Sri. Udaya Raju with effect from 1.7.1985  
for want of vacancy. Agreed by the said orders, Sri. Udaya  
Raju filed W.P. No. 6744/85 praying for continuance as Junior

as Lecturer in Telugu in Ideal Degree College on temporary basis  
with effect from 1.7.1985 pending disposal of W.P. The Andhra

and to pay him salary as admissible to a regularly appointed  
Lecturer in Telugu in Ideal Degree College.

2. Writ appeal was filed by Government against the Order  
of High Court. The High Court in its judgment directed the  
Government to consider the application already filed by the  
Management of the college and to take appropriate orders in  
accordance with law regarding admission of the post held by  
the petitioner to old.

3. The Commissioner of Collegiate Education after considering

College, Kakinada and converted into that of Lecturer in Telugu  
with effect from 17.10.1992 to accommodate the petitioner and to

4. The Commissioner of Collegiate Education has, therefore,  
requested the Government to accord permission to approve the  
transfer of the said post to Sri. Udaya Raju as Lecturer in Telugu

5. Government after careful consideration of the case,  
hereby, ratify the action of the Management of Ideal College,  
Kakinada in having appointed Sri. Udaya Raju, Lecturer in  
Telugu in violation of selection procedure and permit the  
Commissioner of Collegiate Education to approve the appointment  
of Sri. Udaya Raju as Lecturer in Telugu and admit him

We direct the appellants shall consider the representation dt.9-2-90 submitted by the President & Correspondent, Ideal Degree College, Kakinada for admitting the post which is presently being held by the first respondent to grant-in-aid and pass appropriate orders in accordance with law as early as possible, preferably within four months from the date of receipt of a copy of this order. The order of the learned single judge is modified to the extent indicated above.

The President & Correspondent, Ideal Degree College, Kakinada in his representation dt.9-2-90 requested the Director to admit one more post of Lec. in Telugu since the work-load increased due to introduction of Common Core Syllabus and also basing on the judgment of the Hon'ble Court in S.L. No.6744/85. As it was decided to prefer S.A. against the judgment in S.L. No.6744/85, dt.12-12-89, the representation of the President & Correspondent, dt.9-2-90 was not considered and after disposal of S.A. No.836/91, dt.11-10-91, the representation dt.9-2-90 of the President & Correspondent of Ideal Degree College, Kakinada was examined and by G.O.Lr. No.4906/PCI-3/91, dt.4-12-91 requested the Government for further directions in the matter. The Government in their Memo No.2879/G.II-1/91-2 Sdn., dt.11-6-92 directed to examine the case under the relevant rules for admitting the said post to grant-in-aid. The work-load particulars furnished by the management warrants admission of second post in the Department of Telugu in Ideal Degree College, Kakinada into grant-in-aid. The approval of the Grant-in-aid Committee is required for admission of new post into grant-in-aid and it was decided to place the proposal before the grant-in-aid committee, which was scheduled to meet on 20-10-92. In the mean time, a notice in G.O. No.362/92 filed by Sri.U.Anjaneya Raju was received in this office on 17-10-92. In view of the urgency in the matter by virtue of Govt. Memo No.1486/G.II/89-3 Sdn., dt.24-6-88 vesting the powers in the Director, as there is sufficient work-load for admitting the second post of Lecturer in Telugu Department in Ideal Degree College, Kakinada to grant-in-aid and the Grant-in-aid Committee did not meet from 6/92 onwards, one surplus vacant post of Lec. in Botany in Sir.C.R.Roddy College, Eluru was transferred to Ideal Degree College, Kakinada and converted into that of Lec. in Telugu in D's Procs. 5th cited.

Hence the representation of the President & Correspondent, Ideal Degree College, Kakinada dated 9-2-90 pertaining to second post of Lec. in Telugu Department was considered and orders were issued in D's Procs. 5th cited.

The President & Correspondent, Ideal Degree College, Kakinada is, therefore, requested to send necessary proposal for admission of the person into grant-in-aid against the second aided post of Lec. in Telugu Department, duly furnishing details viz., qualification, percentage of marks, date of appointment, whether it was done through properly constituted body, enclosing resolutions etc.

The receipt of these proceedings should be acknowledged and the proposal sent through special messenger.

Re. No. 4344/P.C.I.-V/95 dated 25-6-1996.

Sir,

Sub: Private Aided Colleges - Appointment of Librarian - Ideal college of Arts & Science Kakinada - Permission to fill up the post of Librarian by transfer and admit into grant-in-aid - Regarding.

Ref: 1. C.C.E.Lr.No.4844/PCII/3/95 dt 22-2-1996.  
2. G.M.No.1418/CG HS I/95-8 dt 13-5-96.

...

I invite the kind attention of Government to the reference 1st cited wherein Government have been informed that no post of Librarian was sanctioned to Ideal college of Arts & Sciences, Kakinada. Accordingly, Government in their reference 2nd cited have issued orders rejecting the request of the management to promote the Assistant Librarian as Librarian in the college.

In this connection I wish to say that the college management have represented stating that as per the staff pattern of Private aided colleges the college is eligible for a post of librarian. The College was admitted to grant-in-aid with effect from 1980. It is submitted here that upto December 1984, there was no practice of sanctioning posts while admitting colleges. As per staff pattern prescribed, the management use to fill up the posts and the audit assess the posts to grant-in-aid. Since this college was admitted to aid prior to 1984, the question of sanction of post does not arise. The college authorities have not filled up the post of Librarian and they have filled in only the post of Assistant Librarian for which also the college is entitled. They have therefore requested the Commissioner to permit the management to fill up the post of Librarian by promoting the Assistant Librarian as Librarian in terms of instructions issued in G.O.No.127 Edn dt 7-6-93.

Keeping the above position in view, the management was permitted to fill up the post of Librarian, in terms of the instructions issued in G.O.No.127 Edn dt 7-6-93.

pto

with the Commission's proceeding No. 4044/CL.2/95  
 dated 20-4-96. I therefore request the Government to  
 review their orders issued in G.M.No. 1418/00 HE 1/95-2  
 dated 13-5-1996 and ratify the action of the Commission  
 of Higher Education in having permitted the appointment  
 to fill up the vacant post of Librarian for which Commission  
 of Higher Education is competent.

This is about the Inspection Commission which visited the Ideal College, Kakinada recently, in connection with their application for B.Com. Degree Course.

I recommend that the College may be permitted to start offering I B.Com. during 1974-75 with a section of 80 students subject to the appointment of one lecturer each in English, Telugu, Economics and Commerce and an immediate provision of Rs.10,000/- for upgrading the library of the Junior College.

I feel the furniture and temporary accommodation which they have shown us would be alright for the time being. Since temporary additional affiliation for starting B.Com. is being granted, I feel another Commission has to go and see the development of the library and other facilities before renewal of the affiliation is granted next year.

Sub: Report on Ideal College, Kakinada for the affiliation in History, Economics and Politics as a combination and as Main subjects - Reg.

...

I visited the Ideal College, Kakinada on Sept., 14th, 1974.

In view of the fact that the local colleges could not absorb all the applications in the various subjects, viz., History, Economics and Politics, there is need for starting another college to satisfy this overflow of applicants. The Management of the proposed Ideal College sought for affiliation in the combination - History, Economics and Politics and with History, Economics and Politics as Main Subjects. In view of the fact that the Junior College is already offering combinations in Economics, Civics and History, the proposed Ideal College is ideally suited to develop the combination History, Economics and Politics at the B.A. Degree level.

As far as the staff requirements are concerned, one lecturer in each of the subjects, viz., History, Economics, Politics, English and Telugu, is essential to start the degree courses in the first year. At a minimum the college has to set apart Rs.8,000 to 10,000 for equipping the library in the first year.

The Management wants to run the degree courses in the same building in which the Junior College is at present housed. As a temporary measure this may be alright for the first year.

**Report on the starting of "IDEAL DEGREE COLLEGE"  
in Kakinada.**

In response to letter No. CII-1-28301/74, dt. 21-3-74 from the Registrar, A.U., the visiting committee consisting of (1) Prof. L.R. Rao; (2) K. Hanumantha Rao; (3) Prof. R.V.R. Chandrasekhara Rao; (4) Prof. S. Venkateswara Rao; (5) Prof. K.V. Sivayya and myself visited the college on 14-9-1974. Prof. R.V.R. Chandrasekhara Rao could not join the main Commission but he visited the college on 21-9-74 and has submitted his report recommending the starting of B.A. Courses in the College.

In KAKINADA there is already one College, P.R. Govt. College and one Ladies College namely "A. S. D. College for Women". I understand that Government has given permission for starting two more Colleges at Kakinada of which one is the "IDEAL COLLEGE".

The College management has received about 400 applications for admission into B.A., B.Com. and B.Sc. Courses. There is a heavy rush for admission in all these three courses at Kakinada. The number of seats in the other Colleges is limited. The Ideal College Adhoc Committee has constituted a Governing Body for the College and the constitution has been registered on 22-10-1974, a copy of which is enclosed herewith. As per the draft constitution Dr. D.V. Ramarao, a local Registered Medical Practitioner, is the President and Dr. N.S.R. Shastry is the Secretary and Correspondent. Both of them have shown keen interest in organizing this college and assured us of sufficient financial support available locally for equipping the college and providing sufficient accommodation for buildings in the near future.

Item (2) ACCOMMODATION:

The College authorities wish to locate the College temporarily in the Ideal Junior College premises which had adequate accommodation particularly for the Laboratories for the 1st year of the Science Courses. The buildings are located in a site of about 2 acres which has been given on lease by the Governing Body of Rangaraya Medical College, for a period of 10 years (copy of the lease deed is enclosed).

The plan of the existing building is given in ANNEXURE-I. The Management has proposed certain changes in the existing building by shifting the Arts subjects to a temporary shed to be erected either in the present campus or in a new site of 12 acre plot on the outskirts of the city. The Management is expecting a donation of 12 acres from Sri Thota Hanumantha Rao for this purpose. Unless the Medical College authorities give the existing Simpson building alongwith the site as a gift to the college, the College authorities wish to locate their college in this new site which will formally ~~wish to locate their college in this new site which will~~ formally be donated to the Management in the near future. The College authorities are proposing to build a gable roof shed of 130'x30' for providing 5 (five) class rooms. This can be built at short notice as the Management has at its disposal immediately a sum of Rs.1 Lakh for the purpose of construction of this building. Besides, a number of donors have agreed to donate a sum of Rs.50,000/- during the current year. In view of this, there should be no difficulty for the college authorities to build requisite temporary structures or make necessary structural alterations in the existing Simpson building to suit the Science Laboratories.

Allocation of rooms for Science Laboratories, Office and library is already shown in Annexure-I. All the Class rooms and staff room for Arts subjects must be located in the new temporary building of 130'x30' to be constructed either in the present site or in the new site to be donated by Sri Thota Hanumantha Rao.

The Commission recommends that it would be worth while to build the college in a new campus particularly in the site donated by Sri Thota Hanumantha Rao as it is always desirable to keep the Junior College and the Ideal College separate in two different campuses for their healthy development.

Item (3) STAFF:

Staff may be appointed as per the rules laid down by the Andhra University Syndicate. In the arts subjects there is a need for:

- 1 English Lecturer
- 1 Telugu Lecturer
- 1 Lecturer each in History, Economics and Politics in the first year.

In Commerce, the following staff may be appointed in the first year:

-117-

In the Science subjects, there is need for the following staff to be appointed:

Chemistry	1 lecturer and 1 Demonstrator
Physics	1 lecturer
Zoology	1 lecturer and 1 Demonstrator
Botany	1 lecturer

Item No. (4) EQUIPMENT:

The equipment required for each department has been given in detail in the individual reports of the various members of the Commission. In the case of Chemistry Department there is a need for a non-recurring amount of Rs.2.5 lakhs to be spent over a period of three years. In Physics subject, a non-recurring amount of Rs.2-5 lakhs is to be spent over a period of three years. Botany and Zoology Department, each require a sum of Rs.2 lakhs spread over the next three years.

The Management should try to provide the funds required for this purpose in order to equip the laboratories fully as per the recommendations of the University.

Item (5) LIBRARY:

The Library available at present in the Junior College is not adequate. The Library needs a grant of Rs.10,000/- for the purchase of books for the current year in all the arts Subjects and another Rs.5,000/- for books in commerce.

In Science subjects, it is necessary to provide atleast 1000 books in each of the science subjects. The Library should also have requisite journals, a list of which is given by the commissioners in their individual reports.

In view of the need for providing additional facilities for B.A., B.Com. and B.Sc. Courses in this growing town of Kakinada and in view of the fact that the college has a temporary accommodation in the Simpson building which is adequate for running the 1st year course together with the temporary building which will be erected shortly and in view of the fact that the College has finances to the tune of nearly Rs.2 lakhs available alongwith the support of the staff from the Rangaraya Medical College, we recommend that the proposed Ideal college be given affiliation in the subjects, B.A., B.Com. and B.Sc. subject to the condition that the College authorities fulfil all the requirements and conditions laid down in this report and the reports of the individual commissioners which are enclosed herewith.

The College authorities have already deposited Rs.25,000/- with the Joint name of Registrar and President (F.D.No.C.508869, dated 16-10-1970 paid on 16-10-1974.).

I recommend that a single-man Committee be appointed with a view to examine whether the recommendations and conditions mentioned in this report have been fulfilled for recommending renewal of the affiliation from 1975-1976.

It is my pleasure to thank the Secretary and the members of the Adhoc Committee sponsoring the College and the Principal, of the Ideal Junior College for the courtesy and hospitality extended during our visit.

I strongly recommend that the affiliation in the subjects History, Economics and Politics as a combination and as Main Subjects may be granted and the proposed Ideal Degree College started immediately, provided that the Management abides by the rules and regulations regarding the recruitment of staff Members as laid down by the University and that the Library is properly equipped.

Thanking you,

COPY of letter dated nil from Prof. R.V.R. Chandrasekhara Rao, Head of the Dept. of Politics & Public Administration, A.U. Waltair to Prof. B. Ramachandra Rao, Convener, Inspection Commission to the Proposed Ideal Degree College, Kakinada, Dept. of Physics, A.U. Waltair.

As you are aware I had been to inspect the proposed Ideal Degree College in Kakinada on 21.9.1974 and had discussions with the members of the Ad hoc Committee sponsoring the college.

As far as Arts subjects are concerned, I am satisfied that there is enough demand for the starting of a new college, as the P.R. College and M.S.M. Charities College are not able to absorb students anxious to their studies. For example, out of 174 applications received by the P.R. College for admission in to B.A. only 60 could be accommodated there. Already applications are being received by the management of the Ideal Junior College.

The College is prepared to recruit the necessary staff according to the stipulations laid down by the University. For the arts courses, they wish to start the combination of History, Economics and Politics. In the Junior College the combinations of Commerce, Economics and Civics, and History, Economics and Civics are offered and hence at the B.A. level the combination asked for, History, Economics and Politics, seems quite appropriate. The college has asked for affiliation to teach History, Economics and Politics as Main subjects also. Since there is every probability that the B.A. Class will consist of a full section, it could be expected that for each of these three branches there would at least be 15-20 students. I recommend that the college be given affiliation to teach Politics, Economics and History as Mains also.

Staff requirements: In the first year, to run the combination of History, Economics and Politics, the College would need to recruit one lecturer for each of these three subjects. The college is prepared to do this immediately. The college is also ready to recruit the additional staff as workload grows in subsequent years. As per language subjects, English and Telugu, the college would need to recruit one lecturer for each of these subjects and the management is prepared to do this immediately.

Library: The Library needs to be improved a lot and atleast Rs. 10,000/- should be allotted for the purchase of books for the current year. The management is prepared to do this.

Accommodation: As a temporary measure, the degree college is to be run in the building where the Junior College is functioning and I am fairly satisfied with the accommodation situation at least as far as the arts subjects go.

Under these circumstances I recommend that the proposed college be given affiliation subject to fulfilling the above requirements relating to appointing of the necessary staff and equipping of the library. In B.A. the combinations requested for History, Economics and Politics can be sanctioned with Politics, Economics and History. The College has asked for only one section in B.A. / I wish to thank the Secretary and members of the Ad hoc Committee sponsoring the college and the principal, Ideal Junior College for their courtesy and hospitality during my visit.
