

Autonomous Examination System (AES) Version 3.0

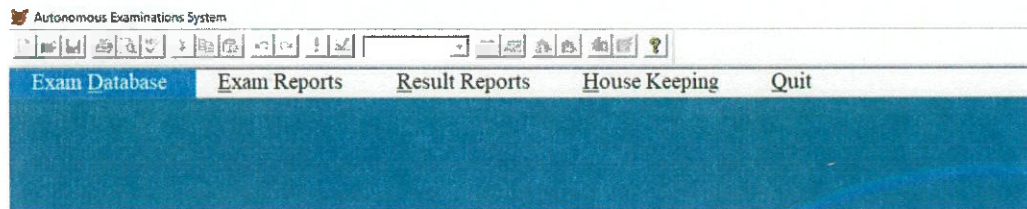

User Manual

This package is developed in Visual FoxPro Version 6.0, it is standalone and single user software.

The Autonomous Examination System (AES) contains five main options. Each main option has various sub-options.

The Main options are

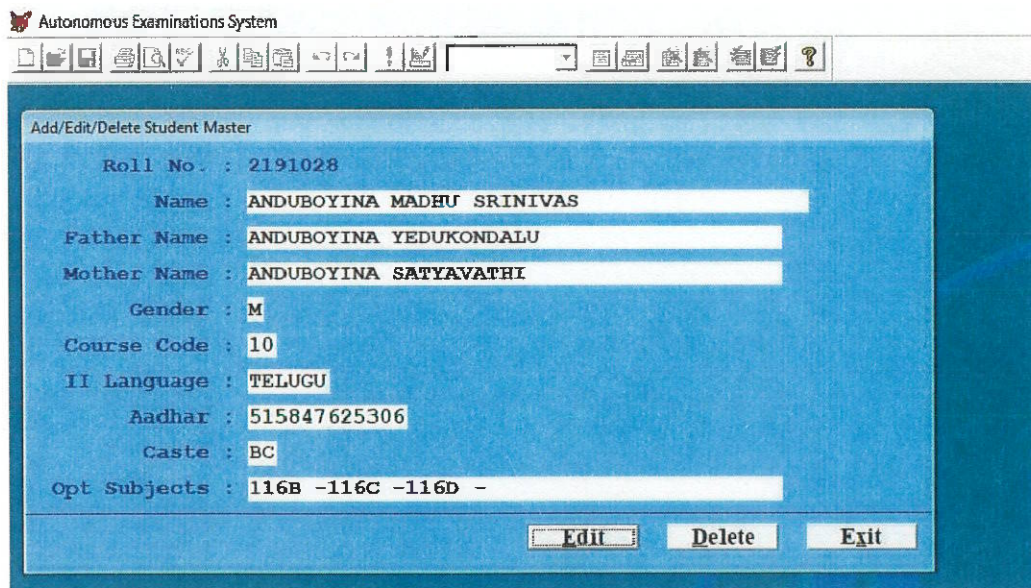

- I. Exam Database
- II. Exam Reports
- III. Result Reports
- IV. House Keeping
- V. Quit

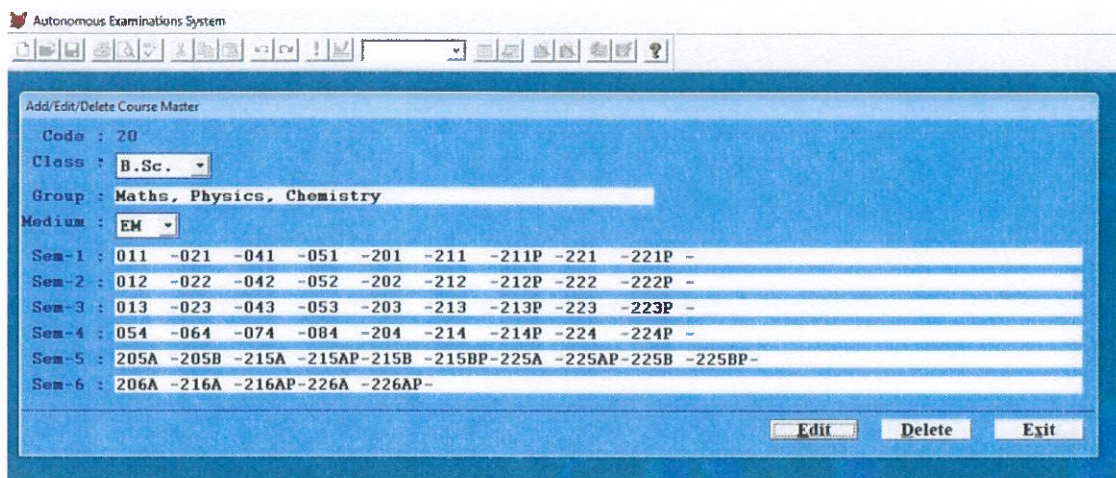

I Exam Database :

This main option is use to enter all examinations related data. This option has again sub-options like

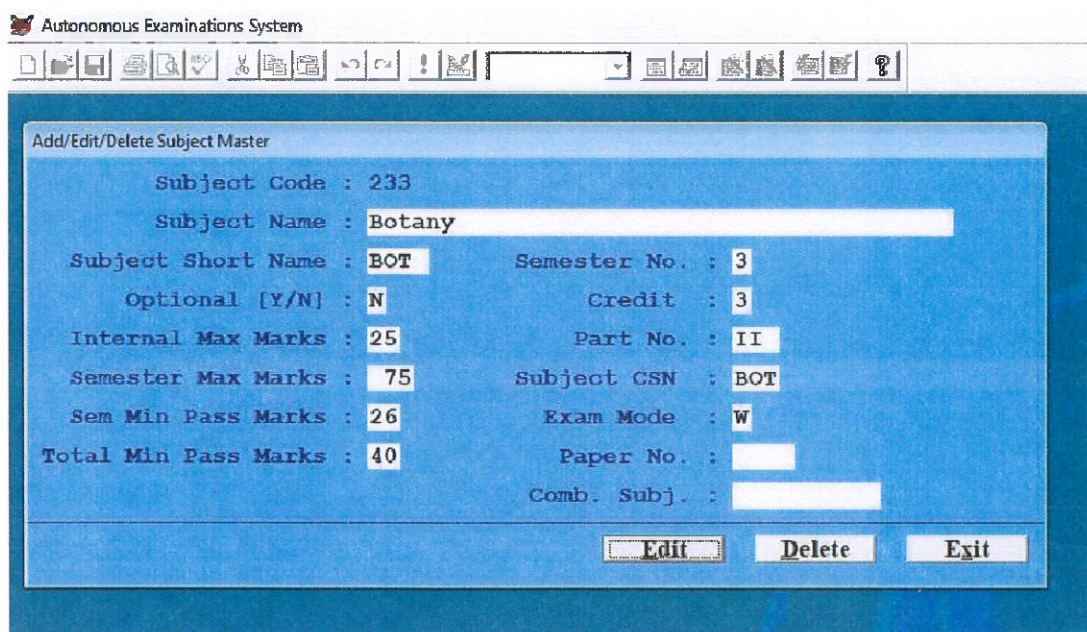

- I-1 Student Master: This option is use to add, edit and delete of student data like name of the student, father name, mother name, gender, course code, language, Aadhar number, caste and optional subjects.

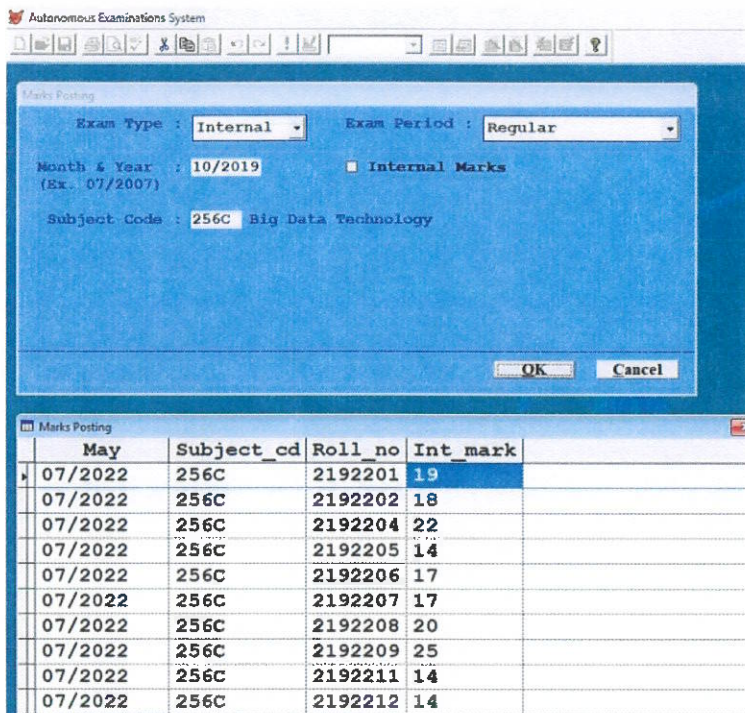

I-2 **Course Master:** This option is use to add, edit and delete Course data like course code/program code, class, group, medium and all semester subject codes individually.

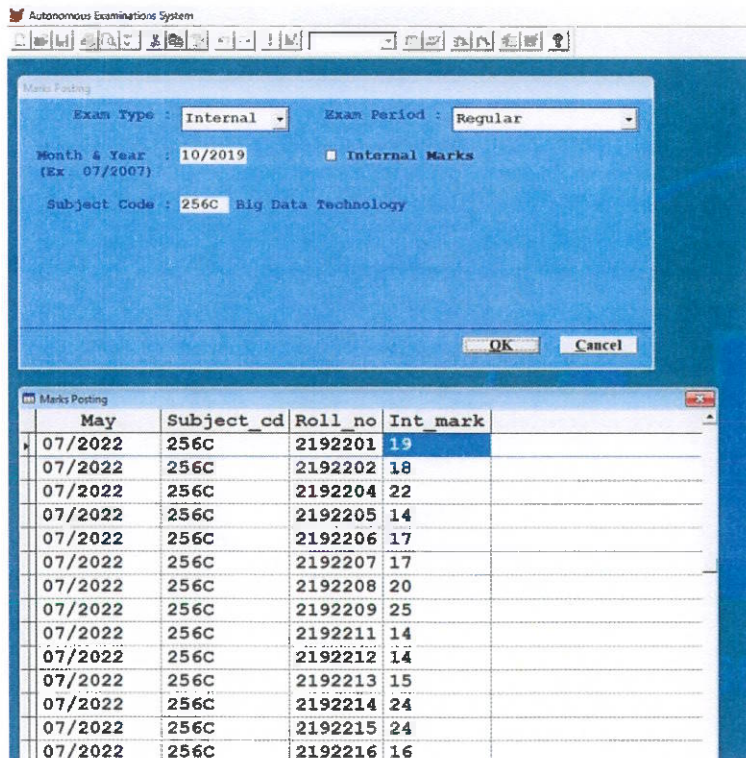

I-3 **Subject Master:** This option is use to add, edit and delete Subject data like subject code, subject name, subject short name, optional[Y/N], internal maximum marks, semester maximum marks, semester minimum pass marks and total minimum pass marks.

I-4 **Marks Posting:** This option is use to enter the data of a subject internal/external marks with regular/supplementary, month and year of examination.

I-5 **Coding:** This option is use to enter coding number (six digit) of each answer script of regular/supplementary examination.

I-6 **Edit Marks:** This option is use to modify each student marks data like date of examination, regular/supplementary, inter marks and semester marks.
