About the College:

The Ideal College of Arts & Sciences, Kakinada is one of the earliest Aided Colleges in the state traversing through the events of modernizing the University education system, especially the new vision of the National leaders in the advent of Globalization and Liberalization.

The vision of the College is to create a mighty Education Institution providing their opportunities to the students, like innovation, ability to analyse and enhance capabilities. The College offers instruction in all the important core subjects at Degree Level. It has eight P.G. Courses including MBA and MCA and is conferred Autonomy by UGC and Accredited with B Grade by NAAC, Bangalore in IInd Cycle.

The fore runners of the College are late Dr. P.V.V.N. Raju, a great patriot and educationist, late Dr. N.S.R. Sastry, the former President, Dr. P. Chiranjeevini Kumari, Secretary & Correspondent of the College and other veteran members of the Governing Body.

Theme of the Seminar :

The seminar is planned in such a way that all the Major components of the environmental sciences like atmospheric Sciences, Ecology, Environmental chemistry, behavior pattern of the society and such others are involved, besides the audit of natural resources. About five Universities supply the Resource persons and at least three states send their participants to the seminar.

Specific objective and action plan : The prime objective of the seminar is to study the problem with a multi disciplinary approach to analyse the complex environmental threats. The departments of Physics, Chemistry, Botany, Zoology and Social Sciences join together to make the study and prepare the participants for further research in the area and inspire the students to take up projects on local environmental problems.

Six resource persons who are veteran and experienced Professors are giving addresses and chairing the technical sessions. About 50 to 60 participants who are mainly young and aspiring teachers will be present and submit their papers to the seminars. Arrangements are being done to publish the papers in UGC notified journals and the charges for publishing is Rs.1200/- per paper. Each paper presented should be registered individually.
