

BEST PRACTICES – I

Title of the Practice

“Social responsibility through Awareness Programmes”

Objectives:

1. To promote the sense of responsibility among students towards the society of and render their obligations to the welfare of the citizens.
2. To address the environmental issues and hazards of pollution and plastics.
3. To create an environment of traditional values and culture of the community through rendering services in the areas of cultural and heritage importance.

Context :

The context of the practice is to make the student feel that he is a member of the society and a part and parcel of life in the society, lest he falls away from the culture and environment in which he lives. A consistent attempt is made to address the objectives in conducting various activities like organizing seminars, rallies programmes and competitions.

The Practice:

1. A Seminar on world population day to create the sense of demography, family planning and such other issued was conducted on 11.07.2018 with statistical officer and chief planning office the District Collector, Kakinada, ending with a rally taken by the students in the town
2. On the birthday of Smt. Durgabhai Deshmukh a legal awareness programme is conducted by way of seminar with senior ex-chairperson of Kakinada Prabha Joseph and lawyers in the town along with a PPT presentation given in the areas of Financial assistance by the Government to the women, protection and prevention of harassment of women and the life and achievements of Durgabhai Deshmukh.
3. A green belt about 50 plants is created in the campus on 03-08-2018 in which Prof. P. Suresh Varma and Prof. Teki of Nannya University attended.
4. Spreading the message of the medicinal values of the leafs and flowers used in the festival of lord Ganesh on 12.09.2018 and Clay Ganesh idols distributed to be worshipped instead of Plaster of Paris or paint coated idols.
5. The students of B.Sc.,BZC took a survey regarding the spread of Malarial fever in the village Indrapalem and submitted the data to DH Office with a request to take control measures.
6. Under the management of East Godavari, Kakinada a One Week training programme was conducted for about 30 students in disaster management.
7. An AIDs day rally was taken by the students and staff on 01.12.2018.
8. A work shop with the Children of Praja Vidyalam a School for dropouts to study the child physiology of children of neglected homes on 14.11.2018.
9. A voters day pledge was taken on 25.01.2019 encouraged all the eligible voter students to participate in adult franchise.
10. Yoga day was celebrated on 21.06.2018 to promote the idea of fit India.
11. A visit to Polavaram Project was takeup on Polavaram Project on 22-02-2019.
12. Field trips were arranged for students to communicate with nature in the abhayaranya of Koringa and a visit to horticultural exhibition in Yanam, Pondicheery State.

13. A special and effective cultural club to promote the activities of Literature, Fine Arts, Music and performance art is formed. The club developed Patriotic Songs, Play lets depicting the life of sacrificed soldiers of the Country, traditional and ethic dances of the region and highly skilled pyramidic performance of dances along with humorous mimes. About 75 students participated in the programmes both inside the campus and on invitation in the prestigious National conferences held in the town.
14. The environment and ethics club, the Antiragging Committee of youth Club, Sports board contribute to the social binding among the students in addition to the NCC and NSS Programmes.

Evidence of Success :

The continuous and sustained interest of the students in participating in this practice and the appreciation of the Public towards the activities taken up are evidenced in the success of the practices.

Problems encountered :

1. The College being an Aided College required funds are not available for organizing the activities movement of the students.
2. The AP State Govt. Policies in not filling up the vacant post of the faculty is a great handicap for encouraging the students in building up a social bond with the community.

International Women's Day On 08-03-2019

BEST PRACTICES – II

Title of the Practice

Joy of learning

Objectives:

1. To make the students feel good and happy while learning.
2. To Promote them to participate compassionately in sharing with the needs of community
3. To feel merry and joyous in participating in the teaching learning process through cultural, literary and sports activities.

Context :

The context of the practice is the general observation that a learner feels usually monotonous, taxing and stress full in the instructional periods and classroom process. Hence an amount of indifference and laxity in receiving the content of the teaching is commonly felt by the teacher. An innovative method is evolved in teaching learning process utilizing the areas of creativity innovation, the youthful energy and their derive for identity.

The Practice:

1. The Class room teaching is made interactive giving more space to student for participating in teaching by way of taking up seminars, quiz, pannel discussion and paper presentation.
2. Each semester is to take Atleast five seminars three assignments and quiz programme, two or three paper presentations.
3. Students are made to teach the classes atleast five or 10 min enabling them to face the class and share the experience of the teacher.
4. Almost all the teachers use the LCD and give Power Point talks.
5. The students are encouraged to give Power Point Presentations at least time in the semester.
6. Quiz programmes rouse and provoke their interest in the subject and lead them to discuss the subject and put questions in the class.
7. Groups of students are encouraged to do projects, models, posters and use IT for online examinations.
8. Students are made to use Computers, LCDS browse internet use Wi-Fi forum, Whatsapp groups and participate in social media.
9. All the students are made involved in the teaching learning process and feel the joy of learning.
10. The students forum into association and clubs to participate and contribute in social activities in necessary areas.
11. Individual and College organized blood donations are commonly held.
12. Concern to homeless, destitute, physically handicapped, old and incapacitated people in the society are specially attended to by the students.
13. Visits to old age homes distribution of fruits and bread to the inmates of the homes are done on the days like Independence day and Republic Day.
14. On the eve of Gandhiji's Vardhanthi that is 31.01.2019 the College organised a Joint programme and competitions to "Maharshi Sambhamurthi Vikalangula Patashala" containing about 120 students and "Praja Vidyalayam" a school for dropouts and children of neglected homes with about 150 students were organized and cultural programmes of the Children of

these Schools were enjoyed by the students of the College along with prizes distributed by them.

15. The students of the College donated Rs. 10,000/- to the Prime Minister's Relief Fund towards the aid of the families of the Amar Jawan of Pulwama attack in Kashmir on 01.03.2019 further they donated Rs. 2,500/- for the Chief Ministers Relief Fund in the event of floods in Kerala.
16. The students of the College are regular contributing of Red Cross of District Red Cross, Kakinada.
17. Departments of Telugu, Mathematics, Physics, Botany, Zoology others involve the students in designing and performing activities like poem writing, language development, model preparation, Online examinations, participation in competitions held in other Colleges and societies, hands on practicing soldering desoldering, arranging Solar panels, gardening, designing of gardening labeling several plants with botanical names plantation in the names of the students, conducting survey on "Seasonal diseases Malaria" and others.
18. Cultural activities in painting, singing, dancing skit and mine making and others are a regular activity for the student community.
19. The ground and courts of the physical education department are tabling with the activity every evening of the week including Sundays. There is a Gym, a yoga practicing hall along with six courts in the department with the physical director himself a Ph.D. holder in yoga.

Evidence of Success :

The demand of admission of students in the College in all the programmes in one of the evidence along with about 80 attendance of the students in the classes, 60 of students involved in the class room activity cultural and literary activities getting recognition and awards from various agencies.

The participants of sportsmen and women of the college at the State and the National Level and getting prizes is a happy justification of the practice.

Problems encountered:

1. The College does not consist of required number of Staff member of satisfy the students staff ratio.
2. Paucity of funds is an important handle.
3. Sufficient equipment to conduct the joyful activities of the students like College buses, own cultural equipment and inability to give incentives to the participating students is also a problem to be considered.
