STUDENT FEEDBACK ACTION TAKEN REPORT

2019-20 (SEM I)

After taking feedback from students certain points were discussed and solutions were provided for them.

Introduction:

This report summarizes the action taken based on the student feedback collected for faculty members. The feedback has been classified into four categories based on performance percentages:

- Category A: 85% - 100%
- Category B: 71% - 84%
- Category C: 60% - 70%
- Category D: Below 60%

The aim of this report is to address areas of improvement and recognize excellence in teaching, ensuring continuous growth in faculty performance.

Summary of Actions Taken:

1. **Category A (85%-100%):**

Faculty members in this category have demonstrated outstanding teaching abilities. These faculty members will receive commendation, and their methods will be shared as best practices within the department. Some of these faculty will be assigned mentorship roles to guide others.

2. **Category B (71%-84%):**

Faculty members in this category have performed well but have room for improvement. Encouragement and resources such as professional development workshops will be provided to further enhance their skills. Regular feedback will be sought to monitor their progress.

3. **Category C (60%-70%):**

Faculty members in this category require targeted improvements. Individual action plans will be created, and they will be required to undergo skill enhancement programs. Regular reviews will be conducted to track their progress.

4. **Category D (Below 60%):**

Faculty members in this category need immediate attention. Intensive training sessions will be arranged for them, focusing on the areas identified in student feedback. They will be assigned senior mentors, and their performance will be closely monitored over the next academic semester.

Conclusion:

The student feedback highlights areas of excellence as well as opportunities for improvement among faculty members. By taking prompt and targeted action, the institution ensures that the quality of education continues to improve while maintaining a supportive environment for faculty development.
